Henry died 04-17-1917, Haywood, Pittsburg Co., Oklahoma, Residence: 1900, Scott Co., AR. CIVIL WAR - Private, 1st Confederate Infantry, raised in Georgia.

Information about this family is, in part, and excerpts from a book by Henry's Son: Russell Blevin Condry,  
And his Great Grandson: Floyd Dedmon, from his own personal knowledge.

Floyd states: I met Uncle Russell and his family the first time when I was 10 yrs old in McAlester, Ok. while staying at my Grandma "Eller" Condry Dedmon's house, This was his sister and they came and visited for 2 weeks.

These following notes come from the book, written by Henry's 16th child, Russell Blevins Condry. It is titled:

"True Memories", The Condrys, 1844 - 1942, by R. B. Condry

And I Quote:

Henry served in the "Civil War" in 1862, was in Confederate Army.

After he got out, he met an married Sara Malissa London on Dec. 26, 1867 in Catoosa Co. GA.

1869, they moved to Arkansas in a "Wagon Train" along with the "Dedmon's", "McEntires", "Singletary's", "London's" and some other families!

In 1870, he bought land 2 miles south of Mtn. Home, AR. and built a "Log Cabin".

Dad a large "Apple" orchard, he sold them, and stored the apples left over under the beds in wooden frames he had made to fit.

The kids would "Snitch" an apple during the night when they were hungry, and would have to eat the applecore so as there was no evidence left over.

He was in the freighting business also. Had a wagon and a good team of "Mules". Hauled freight from West Plains, MO. to Mtn. Home, AR.

In 1890, we moved to the "Dollings Farm", 4 1/2 mi west of Waldron, Scott Co. AR. after My sister Naomie was born in "89" We lived close to his brother, "Uncle Albert Condry" and his family.

Alberts sons name was, Randolph! Randolph & I always played together.

He was my best friend!

In 1891, he bought a 200 acre Farm, 3 mi west of Waldron, AR.

There was a creek that ran across the farm, Haw Creek.

It had 2 sets of houses, we moved into smaller Log Cabin with a "Chink & Dob Chimney". (This made of sticks & Mud and the fire place opening was 4 ft. wide.) There was a small shed added to the side of the cabin where mom (Sara), would do the cooking. When ever she used the "Dutch Oven", she used the "Fire Place Clave".

The house floor stood 3 ft. above the ground on Stone and Pier legs and had cracks between the floor boards wide enough to let a "Sewing Thimble" fall through! I know, because Mom was always dropping hers and I had to crawl under the house to get it!

There was very little of the land cleared and under cultivation when we moved there. Most was covered with, "Brower Vines, Haw Brush, and Big Timber."

Each year, we would clear a little more land.

To suppliment living expenses, Dad would "Freight" supplies from Ft. Smith, to Mansfield to Waldron, AR. using his "Wagon and Mules". There was no "Railroad" at this time.

In 1895, Dad built a new home, which now is called, "The Old Home Place".

In 1896, He went McAlester, OK. and looked for land and bought a farm in Haywood, it consisted of 1280 acres. ( 2 sections of land, That's 1mile wide and 2 miles long.) He paid \$1280.00 for it! A dollar an acre, that's a high price for it, but it was very good land and close to town!

In 1897/8, Dad then moved to Haywood, OK. and he bought another 10 acres in Haywood and built a Grocery & Feed store, and my brother Sam built one in McAlester, just down the road away from Dru & Ella's store. (D. R. Dedmon's Groceries, Feed and Seed.)!

I helped Dru set his up in 1904/5 and delivered groceries by horse back or wagon!

I then went to my calling, I started teaching Music Lessons and developed a "Singing Quartet", we traveled all over Okla., Ark., Mo., and even into Tex.

I supplimented this by having several different "Barber Shops", which I bought and sold all over.

Signed: Russell B. Condry: The Book Was Published, March 13, 1942

Notes by: Floyd E. Dedmon:

The McAlester OK. Historical Society has quite a few of these facts on record.

On Sunday, January 20, 2002, I wrote the following from my memories of my younger days!

My Great Grand Parents, Henry & Sarah Condry's store use to be across the street from the Haywood Cemetery.

G-Uncle Sam Condry inherited it when Great Grand Pa Henry died in 1917.

(It's was torn down in the 1970's and all that remains now is an empty lot!)

I use to get "Whore Hound Candy" there all the time in the 40's, 50's & 60's.

My favorite candy!

Great Grand Pa Condry's farm, 1280 acres, was 1 mile north and 1 mile west of it. I spent many a day at it. In 1963 when Grand Pa Drury Dedmon and my Dad, Ernest Dedmon died, my wife and 2 of my boys stayed there for 2 weeks. I was living in Torrance, Calif at that time. We came back for the "Funeral's".

I moved back to McAlester in 1965 and the last time I was there was in 1971, just before Aunt Tela died. I was living in McAlester, OK. 11 miles away at this time!

When Great Grand Ma Sarah London Condry died in 1936, my Grand Ma "Eller" Condry Dedmon inherited the farm and she continued raising her 9 younger brothers and sisters along with her own family of 11 children on it and her home in McAlester, next to their own Grocery Store in N. McAlester. Aunt Tela stayed at the Farm and helped raise them also

Grand Ma Ella Condry Dedmon died in 1954!

(At this time, I was living in Griffith, Lake Co. IN. My dad had a 40 acre farm there. We had just moved from Herple, Stone Co. AR. in 1952, where he had sold his 160 acre farm because he couldn't make ends meet? He had gotten a job in Indiana working at a steel mill with My sister "Louise's" husband, Eugene Wills.)

My Aunt Tela Dedmon "Rock" then inherited the farm! She lived on it untill she died in 1971.

(She had no children from 5 marriages!).

Lynn Welch and his family had lived there since the 1950's in an "Old Farm" house that was built for "Worker's", as a "Share Cropper" and taking care of the farm. She had begun to think of him as a son, he was always helping her to do things and she loved having his kids around. (The "GrandKids", as she called them!)

Eventually, Aunt Tela sent him through Medical School to become a Doctor like Grand Pa, James Thomas Dedmon was in Arkansas!

In the late 1950's, She was persueded by Lynn to let the "Oil & Gas" companies put in "Test Well's". And they "Struct Oil & Gas" in 1958. She told them to "Cap them!" , She couldn't stand the smell from them. After all, She owned the "Mineral Rights to the Property", and wouldn't give them up till the day she died.

When she died, it was found that she had "Willed the Property", "To her adopted son", \_\_\_ "Dr. Lynn Welch"!

However, No legal papers for "Adoption" had been filed!

A law suit was filed contesting the will by her brothers and sisters still living, but to no avail. It proved out that it was a know fact that she had referred to him as, "Her Adopted Son" over the years, and there by it was considered so by the "Court"?

After he received title to the property in 1974, he then commenced in making arrangements to sell it!

He sold it along with the mineral rights to the Oil Company for: \_\_\_\$1,280,000,000.00 dollars! ( Henry only paid \$1280.00 for it in 1896! )\_\_\_

Lynn told no one and nothing was saved! What a loss of artifacts! Especially the "Pictures" of our ancestors! There were hundreds of them! All in Albums!

The house was torn down and all of the old "Historical items of the past" was either burned or "Bull Dozed Under".

An now, there are oil & gas wells & storage tanks all over the place!

blocks north in the town of Haywood. It covered 2 blocks on the east side of Okla. Highway 31.

This is a Personally known fact. I, Floyd Dedmon, have visited their graves several times in my younger days. The last date being in 1971.

On December 23, 2000, I went to see their Graves and place some flowers while attending the Funeral for my wifes mother whom had just passed away! And What did I find when I got there?

A new Railroad Spur had been installed from McAlester to there around 1980 and the old road was moved north to accomadate it. Where the Rail Road tracks now stand, the ground has been "Sloped and Contured" for the Tracks, by the US Army Corp. of Engineers.

There is a single Grave Marker at the original location. It lists the names of "The Rock's". No other "Head Stones" or "Graves" are at this site now!

Henry and Sarah's Grave Stones, (Flat Sand Stone's with their names and dates, along with several other family members "Head Stones"), were located just north of where the "Rock's Headstone" now stands and what is now, "The Middle of the RR tracks"!! There were several "Head Stones" that were there, but are now Gone!!!

Supposedly their "Graves" were moved to Pine Grove Cemetery. 3 mi west on Hwy 31. However, no markers were placed in Pine Grove Cemetery for them and can find no records of them being moved?

Information from Granddaughter, Nelda (Jones) Thompson:

He did do carpenter work in his later years, but he was a meat cutter also, and owned a grocery store in the Jones Station area of Chattanooga until the Depression. He was wiped out. People that he gave credit to couldn't pay him. They moved to that little two-acre farm in Middle Valley and lived there most of their senior years.

Grandpa ran a grocery store next door to Uncle Roy's garage for awhile when I was about 9 - 11 years old. They went back to Middle Valley and he raised chickens and sold them and eggs and vegetables on Saturday's along a route through Daisy (TN). When he got too feeble to work anymore, Uncle Roy moved them into a house on the old road behind the garage. They lived there until Grandpa died in January of 1951. We moved back to Florida while your dad was in Korea. Grandma came to live with us in Hialeah. She and I shared a room until your dad came home. We bought a house and moved to 49th Street. Grandma stayed with Mother and Daddy until she died.

The doctor told us when Grandpa had his first episode that he had congestive heart failure. A week or so later, he had an attack that killed him.
